of Thailand**

26th August – 2nd September

Closing date for application : 29 May 2019

**TICA :Thailand International Cooperation
Agency**

is a national focal point for Thailand's international development cooperation. TICA was established in 2004 to realize Thailand's aspiration to be a contributor of development cooperation. Believing that global challenges are best addressed by international cooperation and global partnership, today we continue to strengthen our contribution to achieve global development agenda through various capacity-building and human resources development programmes. In response to the recent changes in the global landscape of development cooperation, especially through the concept of South-South and Triangular Cooperation, TICA continues to realign our focuses in order to deliver Thailand's commitment to be a relevant partner in global agendas including the 2030 Agenda for Sustainable Development.

AITC : Annual International Training Course

was initiated in 1991 as a framework in providing short-term training for developing partners. Today, the AITC remains one of TICA's flagship programmes. It offers not only a training experience, but also a platform in exchanging ideas and establishing professional network among participants from across the developing world. Aiming at sharing Thailand's best practices and experience to the world, the AITC training courses focus on development topics of our expertise currently categorized under five themes namely; "Sufficiency Economy Philosophy" or SEP, Food Security, Public

Mekong Institute

Mekong Institute (MI) is an intergovernmental organization (IGO) founded by the six member countries of the Greater Mekong Sub-region (GMS), namely Cambodia, P.R. China (Yunnan Province and Guangxi Zhuang Autonomous Region), Lao PDR, Myanmar, Thailand and Vietnam. We provide, implement and facilitate integrated human resource development (HRD), capacity building programs and development projects related to regional cooperation and integration.

Managed by GMS national and international staff and supported by international academics, subject-matter experts and consultants, we work with and through various local government authorities, development partners and local organizations to deliver, implement standardized and customized learning programs, workshops, seminars, policy consultation, and research and development projects.
