#1 Webinar:

What is Critical When Everything is Critical?

Thursday, August 20, 2020

4:00 PM Israel Time/ 1:00 PM GMT/ 9:00 AM EST

Join us for the opportunity to hear from the **most important minds in cybersecurity.**

Moderator: Yigal Unna, Director General, Israel National Cyber Directorate

Anne Neuberger, Director, Cybersecurity Directorate, NSA, USA

Ciarin Martin, CEO National Cyber Security Center, UK

Maj. Gen. (Ret.) Prof. Isaac Ben-Israel, Conference Chairman, Cyber Week; Director, Blavatnik ICRC, Tel Aviv Unvers

Key discussion points:

- How do states use their authority to define 'critically' in the cyber sphere and what are the tools needed to enforce it? How agile should the system be?
- Is the NIS model (critical infrastructure) still relevant during crisis and beyond?
- Do states have the capacity to reach all necessary organizations?
- How do we develop flexibilities for "IR teams on demand?"
